

Welcome Back!

to Lorain Preparatory Academy

Happy New Year!

The staff and I welcome back students and families. Summer was wonderful, but we missed our students. The teachers have been working hard to make the school look inviting to our students. The first day of school, I saw many smiling faces. Thank you for allowing us to educate your child.
Ms Jannuzzi

NO UNIFORM DAY TOMORROW!

Every Friday, LPA has a no uniform day tradition. Students are permitted to wear other items of clothing to school. Each Student pays \$1.00 each Friday, for this tradition. The funds collected go directly back to the students, providing such things as pizza rewards and for other other student needs. Teachers also pay \$1.00, with their funds going to the sunshine committee. It's fun and the students enjoy this privilege. There are a few rules.

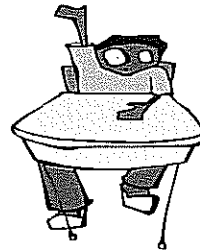

No sandals, flipflops or high heel shoes

No tank tops or low cut tops

Wording may be on the T-shirts, but must be positive words (a sports team etc.).

Pants must be to the waist. No slouch pants.

This Week has been Amazing!

Paperwork!

Each year we struggle to get all the student's paperwork turned into the State. The State tracks all students with a data base and demands from us the information.

Please turn in all necessary paperwork. We need your emergency numbers, shot records, Proof of Residency that is less than 30 days. Please, also don't forget your free and reduced lunch forms. Even if you do not qualify, just sign and return.
